2025年第3季投資人說明會

IN SEARCH OF INCREDIBLE

問與答

1. What is the impact of rising DRAM and SSD prices on the company's approach to inventory management and stocking? What is the impact on gross margin? Will the increased costs be passed on to consumers?

A: Please refer to webcast 27:43.

2. Can you discuss your AI server revenue mix in Q3 2025? Are the shipment timelines for GB200 and GB300 on schedule and progressing as expected?

A: Please refer to webcast 30:33.

3. Could you provide an update on the current revenue mix for ROG Ally, and share your expectations for its growth trajectory through 2026?

A: Please refer to webcast 32:38.

4. What is management's outlook for the PC market in the coming year, specifically regarding the shipment mix of AI PCs? As ASUS positions AI PCs as a primary growth driver, could you elaborate on the company's strategy and key execution targets?

A: Please refer to webcast 35:10.

5. What is the company's perspective on tariffs and their impact on profitability? Additionally, what is your outlook for operating profit margin going forward?

A: Please refer to webcast 38:48.

6. What is the company's quarter-on-quarter shipment target for motherboards and graphics cards in Q4 2025?

A: Please refer to webcast 41:46.

7. Which countries are currently the principal destinations for your server product shipments? Are most shipments directed toward global tier-two CSPs? Do you anticipate increased investment and Capex in the US for server-related business next year?

A: Please refer to webcast 42:42.

8. Could you share the company's current market share for RTX 50 series graphics cards?

A: Please refer to webcast 44:25.

9. What is the current enterprise demand for AI inference servers, and what are the shipment outlook and competitive strategy for the new GX10 product?

A: Please refer to webcast 45:39.

10. If graphics card shipments remain flat quarter-on-quarter in Q4 2025, does this imply a sequential decline in server shipments? What is your visibility and target for AI server shipments in 2026?

A: Please refer to webcast 47:39.
