| Balance Sheet Overview

Cash Balance

9.6 billion

With a current ratio of 223%, our robust capital structure provides the financial flexibility to support business growth and strategic investments.

LINE POINTS Outstanding Balance

2.6 billion

Enhanced user engagement led to a point redemption rate of 97% in 2025, effectively fostering a virtuous cycle of transactions and platform stickiness

Trust Account Balance

6.2 billion

Reflecting sustained growth in transaction volume from both users and merchants, our platform maintains a market-leading position in payment volume.

Total Equity

10.8 billion

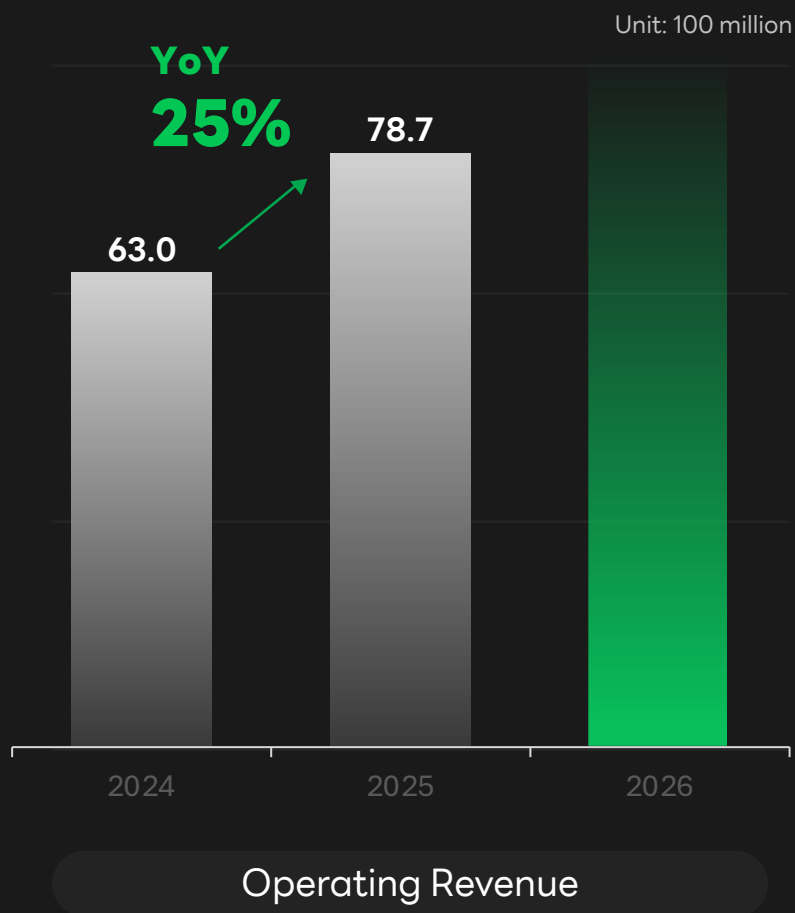

For 2025, we propose a cash dividend of NT\$1.5 per share and a stock dividend of NT\$0.5 per share. Our steady profitability supports long-term capital structure optimization, enhancing both market liquidity and capital flexibility.

(NTD Thousand)	2024/12/31	2025/12/31
